PLAINTIFF'S LIST OF WITNESSES TO BE CALLED AT TRIAL

Plaintiff, Oasis International Waters, Inc. ("Oasis"), pursuant to the Court's May 3, 2013 Order, hereby submits its list of witnesses (including potential rebuttal witnesses) it will or may call at trial.¹

For ease of reference, Oasis has included the required information in table form at Exhibit A hereto. Oasis reserves the right to supplement and modify this list if new witnesses are

¹ Oasis notes that the instant trial witness list was originally due on May 28, 2013, but that the time to submit the same was shortened by 18 days in the May 3, 2013 Order. Oasis respectfully objects to the new deadline for the filing of this document, given that the May 3 Order also directs the parties to file: (1) statements of fact and law (originally due May 28, 2013), and plaintiff (only) to submit (2) its rebuttal experts' reports (originally due May 15, 2013, which revised/shortened deadline allowed Oasis' experts only approximately two weeks to review Defendant's experts' reports and create their own rebuttal reports), (3) notice of additional discovery sought due to recent, late Defendant document productions, with justification, and (4) per the May 8, 2013 Order, an opposition to Defendant's motion to compel (including five (5) affidavits the Court specifically directed be included). Oasis notes that, the day before this filing, it defended the deposition of Phil Morrell in Salt Lake City, Utah, and the day of this filing it took the deposition of a key witness upon which Defendant's counterclaims of fraud, false certification, and/or false claim are based in Washington, D.C.

identified during the ongoing depositions and/or as part of Defendant's ongoing document productions.²

Respectfully submitted,

May 10, 2013

² Oasis notes that the above-mentioned depositions are in addition to four (4) others that are scheduled to be taken before the end of May per prior Court directives. Additionally, Defendant continues to produce new, highly relevant documents from (a) then-Lt. Col. Renee Richardson (produced during the first day of her deposition, May 23, 2013, as well as one string of emails produced this morning, May 10, 2013) which documents appear to involve her husband, someone never before known to be involved in any email chains, or otherwise in this case, and (b) Dean Carsello (produced on May 7, 2013). The first witness, Col. Richardson, was listed in Oasis's first request for production of documents, dated June 10, 2011 (Request No. 32), and the second witness, Mr. Carsello, while not specifically listed, clearly falls within at least the following document requests: Requests No. 15, 36 and 38 (of Plaintiff's First Set) and Requests No. 2, 4, 10, 12, 13 (of Plaintiff's Second Set). Due to the ongoing discovery, for which Oasis is grateful, Oasis respectfully reserves the right to supplement this witness list based on any new witnesses discovered as a result of the ongoing depositions and continued Defendant document productions.

CERTIFICATE OF FILING

I hereby certify that on the 10th day of May 2013, a copy of the foregoing "PLAINTIFF'S LIST OF WITNESSES TO BE CALLED AT TRIAL" was filed electronically. I understand that notice of this filing will be sent to all parties by operation of the Court's electronic filing system. Parties may access this filing through the Court's system.
